# COMPREHENSIVE TRAINING SOLUTIONS

As a Registered Training Organisation (RTO), we offer a range of training programs that kick-start your career and grow your skills.

GetCareers supports the full spectrum of workplace needs, from pre-employment to post-trade training and upskilling, in an array of different industries. We provide qualifications and short courses to help you prosper in your chosen career.

Designed for traditional face-to-face training, on-the-job assessment or mixed-mode delivery, our programs are delivered and assessed according to national standards.

## > QUALIFICATIONS TO KICK-START YOUR CAREER

From skilled hands-on trades to vital community health and care training, we provide a comprehensive range of qualifications.

We handle all the competency training and assessment components of the qualifications we offer (see right), including apprenticeships.

### Pre-Apprenticeships

For those thinking about a career in a trade, a pre-apprenticeship gives you a head-start – providing access to industry-specific training for skills and knowledge that will prepare you with a base level of competency and give you an advantage when seeking a full-time apprenticeship.

### Post-Trade

We also offer post-trade qualifications that empower you to boost your skills and knowledge as you progress within your chosen career.

### Building & Construction

- Certificate III in Carpentry
- Certificate III in Civil Construction Plant Operations
- Certificate II in Civil Construction

### Electrical

- Certificate II in Electrotechnology (Career Start)
- Certificate III in Electrotechnology Electrician
- Certificate IV in Electrical – Instrumentation
- Certificate IV in Hazardous Areas – Electrical

### Community Health

- Certificate III in Individual Support

GetCareers is also a Group Training Organisation, offering a wide range of apprenticeships and traineeships. Get in touch to find out more.

## > **SHORT COURSES TO GROW YOUR SKILLS**
